

Volunteering

VOLUNTEERING

The school works with different projects

Descriptions:

Hospital: Five minutes from the school is a charity based hospital with many wards, ranging from elderly women with eyesight problems to children with cerebral palsy. Activities would be talking a walk with patients, simple activities and generally brightening up their day.

You can work in different schools for children, ranging from age 5-12 This schools are ten minutes by bus from Antigua, where there are opportunities to do different type of work.

We will provide the information at the school reception once you are here.
